Extreme cases of discovery has been the means of such cases test the real value of a medicine. Many "tonic" and "stimulant" preparations, which have no real medicinal value, seem to brace up the users when they are feeling "played out." Any stimulant will do this whether bought at the liquor store or drug store. The true test of a medicine is when life itself is staked on its remedial power. In hundreds of such cases Dr. Pierce's Golden Medical Discovery has been the means of saving life covery has been the means of saving life when even the "family doctor" had pronounced sentence of death.

with a been a great sufferer for several years, and my family doctor said I would not be a living man in two years, but, thank God, I am still living," writes Mr. George W. Trustow, of Lipscomb, Augusta Co., Va. "Dr. Pierce's Golden Medical Discovery is what saved my life. I had heart trouble so bad that I could not lie on my left side without a great deal of pain. I was nearly past work when I commenced your medicine, but I can do about as much work now as any man. I cannot say too much for the benefit I have received."

I have received."

Many diseases, named for the organs affected, as "heart disease," "lung disease," "liver complaint," etc., are perfectly cured by Dr. Pierce's Golden Medical Discovery, which cures through the stomach diseases which originate in the stomach.

FATHER AND SONS HANGED. One of the worst causes of lyuching

ever known in California occurred Thursday night at Lookout, tweive miles from Alturas, Modoc county, when old Calvin Hall, seventy years

when old Caivin Hall, seventy years
of age, was hanged by a mob of masked

friend, Dan Yantis.
Hall formerly lived with an Indian
squaw, and by her had three boys,
aged twenty-six, nineteen, and sixteen
years. The family was worthless, and

All were arrested, but the old man was released on the charge of simple theft, while the sons and Yants were kept in custody on charges of burglary because they could not furnish

The neighbors evidently determined to rid the county of the gang, but in-sead of tarring and feathering them they took all five out at night and without giving them a chance for pref-erence hanged them to the Pitt river

bridge. Hall and his gang were brought to Adin, the county seat of Modoc county, and placed in charge of a constable and one guared. Fifty masked men, heavily asmed, took them from the hotel, where they were under guard, soon after midnight, and within a few minutes four nodies were hanging from the bridge. The other victim was lynched before ne bridge was reached.

The vigilances quietly assembled be

fore the building where the victims were confined. There were little if any indications of organization or leadership, loside the building Hall and his sons were quietly sleeping. One of the constables in charge of the men was called to the door, and as he opened it be was quickly seized and arush made for the prisoners. No opposition was encountered, and the men were quickly hur-

ried to the open air.

One of Hail's sons made a desperate struggle, but he was silenced by a blow from a whipstock, and was killed before the bridge was reached. Oid man Hall and histemaining confederates appeared overcome. Outside the building a member of the mob proposed that Hall be given an opportunity to clear himself of his crime, but the other himself of his crime, but the other members of the party vetoed the sug-gestion by cries: "He can't; we found

strangle.

The execution of the other men w practically a repetition of that of the elder Hall. The mob worked quickly and ellently.

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

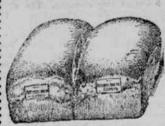

"I am sure that Chamberiain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafalette, of Gregory Landing, Clarke county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Ramedy and I took it and got instant relief. I soon got up and around. That was nine years ago and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth."
